OUR ALMA MATER

*Cassadaga Valley, our Central High
We come to love thy name as years go by*

FOREWORD

I would like to introduce you, students, teachers, and friends of C.V.C.S. to the 1958 Valley View. This book is the cumulation of much time and effort on the part of the yearbook staff, time and effort cheerfully given in hope that the pages within will recall to you in future years pleasant memories of this past school year. The 1958 annual has still another purpose. When the time for you, the students, to depart from this hallowed institution arrives, you will have the challenge of living up to the standards set forth by past graduates of C.V.C.S. You will want to express the very best of yourself from whatever position you occupy in society. We hope that the C.V.C.S. tradition captured within the covers of this book will serve as a reservoir of inspiration to help you to maintain these standards. We further hope that in addition to pleasant memories the book will remind you of goals set in youth and that you will be encouraged to strive for their accomplishment.

Diane Swift
Editor-in-Chief

DEDICATION

We, the class of 1958, wish to dedicate this to you, our parents. We are truly grateful for your understanding and guidance which has made our years in school successful. By dedicating this book to you, we hope that we are expressing at least a small part of our gratitude.

SOPHOMORE PLAY

JUNIOR PLAY

SENIOR PLAY

Due to the outstanding dramatic abilities of the Class of '58, the three plays that we presented proved to be extremely entertaining as well as financially successful. Our first production, "Almost Summer," was a play involving a typical family situation treated in a very light and humorous manner. "Out of the Frying Pan," our second production, was a Broadway comedy depicting the lives of several aspiring young actors and actresses and their attempts to break into show business. Our dramatic career was culminated in "The White Sheep of the Family," which was a satire on crime concerning a very respectable family of crooks who desired to be called self-employed individualists.

CLASS OF '59

JUNIOR CLASS

The Junior Class '59 is doubled in size and especially in noise compared to last year's Junior Class. Their first money making project for this year was the maddening sale of Christmas cards. As for their second dramatic production they put on "Girl Crazy," a play depicting the normal Junior boy. This proved to be another "oscar-winning" production. After much self sacrifice on the part of all, the class rings were gladly received. As is the tradition, the Junior Class feted the Senior Class at a very festive Prom, which Climaxed our activities for the school year.

SOPHOMORE

We the Sophomores are a very industrious class this year. As the other classes, we are working energetically toward our Senior trip. The first of our projects toward our goal is trying to make every home in this area well lighted by eagerly selling Solar Light

Bulbs. Since we've taken up selling light bulbs everybody seems to be promoting the Candle Industry. This year we are also attempting our acting ability by putting on our first play hoping it will be a large success.

"Economizing"—that seemed to be the keyword for the Freshmen this year. Economizing on energy that is. They have been saving up for next year when — no tellin' what these wise and witty classmen will let loose.

Next year, so predicts the crystal ball, they will hopefully crash the Cassadaga Valley stage with their

first fighting attempt to put their character members into a play!

Since it will also be the year they'll really try some projects to fill their treasury — fasten your money-belts please, the going could be rough, you prospects! !

BOARD of EDUCATION

Seated, Left to Right: Mr. Howard, Mr. Olsen, Mr. Westerdahl, Mr. Firth, Mr. Hale.

Our Alma Mater contains the line, "Friends we here learn to love." My sincere desire is that this aim may be accomplished in each individual student's life as he attends C.V.C.S. There can be no greater force for peaceful co-existence of the peoples of the world than a real love of mankind for each other.

J. Arthur France

Being a senior is one of the great joys of your school days. It is the time when certain goals of your life are being realized. Go out into the world studying, caring, trying as you did in your school days and many more worthwhile goals will be realized.

HI-Y AND TRI-HI-Y

To initiate new members with a good send off, the Hi-Y and Tri-Hi-Y officers led the prospective members through a treacherous 'ghost walk.' Survivors of this incident totaled approximately 44 — no fatalities — which made up the year's active membership, including fortunate officers. No time was wasted in setting thesefortunates to work.

Commencing the year's activities, Thanksgiving Baskets of tasty foods were prepared and distributed to two needy families in Sinclairville. Still feeling that ambitious streak, some members — willingly — sold refreshments at athletic games to send our 'honorable' (?) Tri-Hi-Y President, Ginny Privateer, and Hi-Y Secretary, Ronnie Josephson, to the New York State Hi-Y Conference in Albany. Both were appointed to notable committees yet the main comment which they gave as a report was, "We had a ball."

The Y.M.C.A. World Service received a contribution of twenty-five hard-earned dollars from the Hi-Y and Tri-Hi-Y Club of good ole C.V.C.S.

Now, to relax, after all this physical and mental stress, the Club launched a Spring Basket Ball to celebrate the end of basketball season. On March 28 the

cheerleaders and players were the honored guests at this real hep semi-formal dance. To tunes of an eight-piece orchestra, everyone wasted no fun or energy. It can easily be tacked with the headline of a "real success."

For Holy Week, the clubs held pre-Easter services the first part of each morning. These services have become a noteworthy institution of the clubs as has the Character Awards which were presented to two Seniors with outstanding character. This Character Award was presented at Commencement in June. The Hi-Y and Tri Hi-Y are proud of these two services and hope to continue each.

Well, it makes common Hi-Y sense that every year should be closed with a really big 'bang' — 'splash' in this case — therefore, they naturally adjourned the Hi-Y year to a picnic and swimming party at Chautauqua Lake. What fun! ! !

It is believed that this year has truly been a success in enjoyment and work, and with no fatalities!

Judy Till
Tri-Hi-Y Secretary

WASHINGTON

WASHINGTON TRIP

As has been the tradition in the past at Cassadaga Valley, our Senior class made a journey to our nation's Capitol, Washington D. C. During our five-day sojourn, we spent the greatest portion of our time on guided tours to the impressive sights of the city. Of course, we did not neglect recreation in our pursuit of knowledge for we included a moonlight boatripe on the Potomac, a concert and a visit to a well-known nightclub.

MAGAZINES

PICTURES

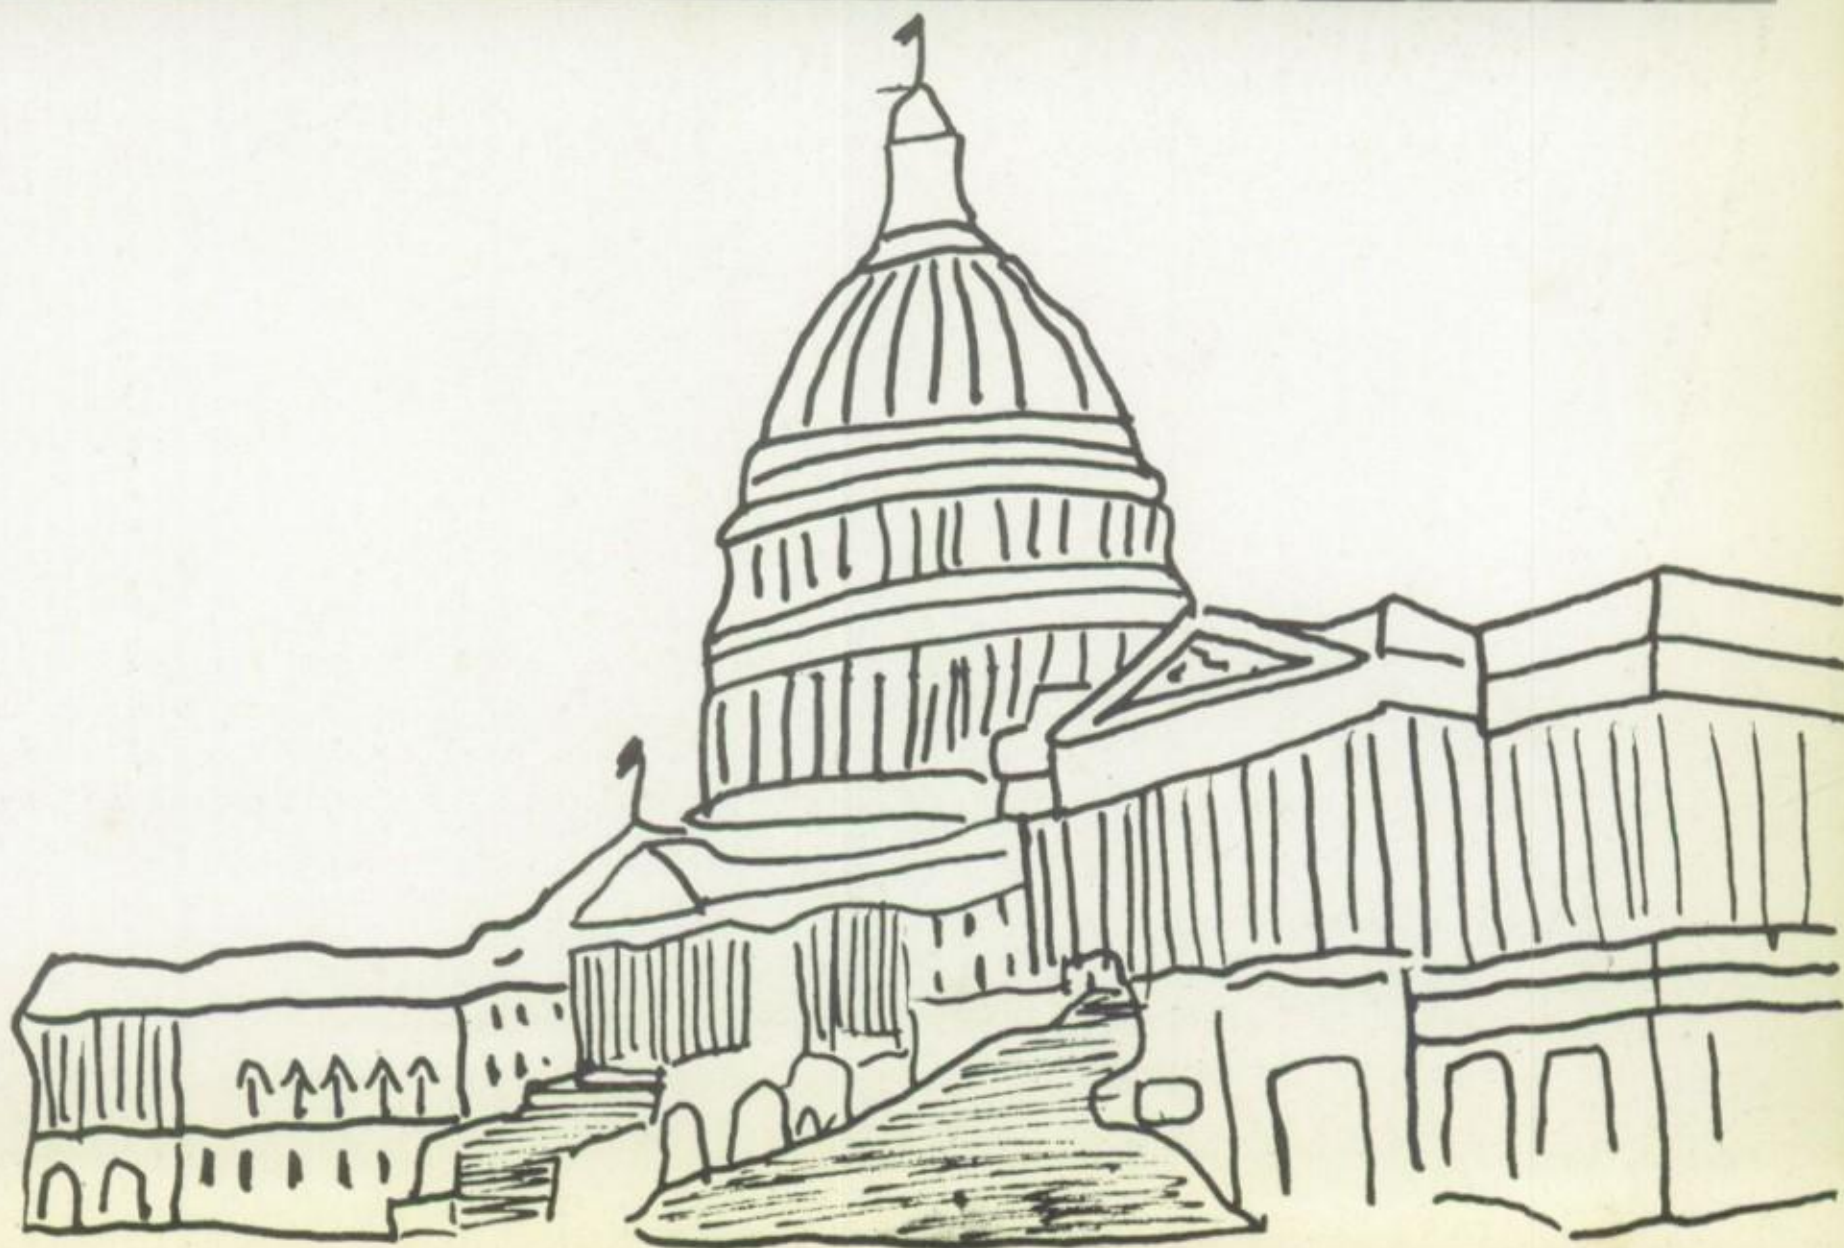

PLAY

To make this trip possible, we engaged in many fund-raising ventures. We inaugurated this year's campaign with our magazine sale, which proved to be the most successful ever to be carried on in this school. Our next undertaking was picture sales. This was indeed a service to the students of C.V.C.S. for they received beautiful pictures at a very low price. The most important of our activities was, of course, our play.

The success of our Washington trip lies mainly in the competent guidance which our advisors gave us throughout our high school years.

Our parents, too, were also instrumental in accomplishing our ultimate goal.

F. H. A.

F.H.A.

The main activity of the F.H.A. year was the Autumn Halloween Dance which they sponsored with those eager beavers in F.F.A. From all known reports, the dance was a success and the F.H.A. decoration — weary teams received simply pumpkins and pumpkins of favorable comments on the decorations.

Just to be out of the ordinary, the F.H.A. adopted a new recruiting system for members. The club is divided into two sections, the F.H.A. and Junior F.H.A. The honorable (?) Homemaking III girls compose the senior group while the industrious Homemaking II

homemakers are the Junior F.H.A. members. Now, isn't that different? . . . it is for a C.V. F.H.A. anyway.

The officers elected at the first of the school year were as listed:

<i>President</i>	-----	Linnea Lawson
<i>Vice-President</i>	-----	Ann Binko
<i>Secretary</i>	-----	Judy Till
<i>Treasurer</i>	-----	Ethel Bowers

FUTURE FARMERS OF AMERICA

The Cassadaga Valley Chapter of the F.F.A. have a well rounded program this year which includes supervised farming programs, co-operation, community service, leadership, earnings and savings, conduct of meetings, scholarship and recreation.

F.F.A. members are following supervised farming programs which total in value to nearly \$18,000. This sum represents the total of all members projects.

One activity carried on by the F.F.A. this year in the field of community service was a soil testing program in conjunction with the G.L.F. Members took soil samples on various farms as requested by the farmers. Another was the annual F.F.A. Father-Son Banquet, held this year at Centraile Grange. In the past, the F.F.A. has visited Charlotte Center and Sinclairville Grange.

As part of the co-operation and recreation program the F.F.A. has held a dance with the F.H.A.

Leadership training is a large part of the F.F.A.'s program. One of our Chapter members, Douglas Waters was elected state F.F.A. Reporter at the State Conven-

tion attended by several chapter members. Doug and Monte Okerlund received the Empire Farmer Award which is given to only 2% of the boys in the state. Bill Carlson won the state amateur contest. Several boys from our chapter attended the State Leadership Training school held at the State F.F.A. camp. All the chapter officers attended the county leadership training school. Two chapter members, Monte Okerlund and Bob Johnson, our Treasurer and President are also County officers. Bob is county Vice-President and Monte is county Treasurer.

Our chapter has won and placed in many judging contests this year. At the Southwestern New York Dairy Judging Tour, C.V.C.S. placed second. At Alfred, our chapter received a silver award in Dairy, Poultry and Crop judging. At the county fair our chapter took first place in the poultry judging.

Chapter members will also attend the Farm and Home week Program at Cornell University and the next state F.F.A. Convention. Two of our members attended the National Convention at Kansas City, Mo.

The Senior Band has accomplished quite a few things this year, including playing very much out of tune, arousing Mr. Cornish's anger, forgetting their instruments, forgetting themselves and a few other trivial things. But when everything was under control they sounded quite well with their renditions of show tunes such as "The King and I," "Carousel," "South Pacific," and classical selections such as "Finlandia," "The Barber of Seville," "Serenata" and many more. All in all the year proved as eventful as it always is in the Senior Band.

DANCE CLUB

This year marked the beginning of a new type of Dance Club at C.V.C.S. At the weekly meetings, which are very well attended, we have learned many of the classic and modern popular dance steps. These meetings were extremely enjoyable and were beneficial in causing an increased participation in the dances held at our school. Credit should go especially to Miss Childs, whose kindness and guidance made the club the success that it is. The club thanks, too, the many teachers that devoted their time as chaperones.

Through the years Cougarettes has become more and more popular. This year many girls have participated in the program. At the beginning of the year the following officers were elected to the Cougarette Council:

<i>Chairman</i>	Virginia Privateer
<i>Senior Representative</i>	Helen Waite
<i>Junior Representative</i>	Carol Hilton
<i>Sophomore Representative</i>	Bonnie Meyers
<i>Freshman Representative</i>	Pauline Olmstead

The school year is divided into various seasons.

They range from Soccer and Field Hockey to Deck Tennis to Basketball to Volleyball to Softball. During each season at least one playday is held either in this school or another. A basketball playday at this school has become a tradition. The playdays are eagerly anticipated and enjoyed by all.

As the senior girls look back on their years in school they find Cougarettes has a big role in the high school years. May you who follow us get the same enjoyment from the organization as we have.

Oh! That was fun!!
Funny, Jim?
So round, so firm.
Caught ya!
I crown you Queen.*

1. *Huh?*
2. *She'll never get off the ground!*
3. *Wasn't she sweet?*
4. *Let's bug out'a here!*
5. *I almost split!*
6. *Bottom's up!*
7. *Just another Swede and her dolly.*

1. Judy's not talking while the flavor lasts.
2. Tums for the tummy.
3. Rub-a-dub-dub! It's Albert and Roger. Dick Peterson Alias:
4. Alias: Wolf!
5. Ugh! Sticky!
6. Peek-a-boo-I see you.
7. Who likes short-shorts?
8. They're taking them young nowadays!

*Gee! Ma look at me now!!
I think I'm lost???
Now you just listen to me!!
Dig those crazy legs.
I'm sitting pretty.
Mother told me days like this
were coming!!*

APPRECIATION

Take it easy on poor

We, the '58 Valley View staff, wish to bestow upon Miss Turk and Mr. Barris our deepest and most sincere appreciation. If it had not been for their competent assistance, we would not have been able to come forth with such a commendable yearbook. From the inauguration of our planning to the deadline day, they have served us intrepidly, giving us succor and advice with our many problems. We only hope that they will accept our humble thank you in partial payment for all the inconveniences we have induced upon them.
